Support
Brokerage Service
for people using
Self Directed
Support

A support broker can support you to....

get your
plan agreed
and organise
your money

plan how to
spend your
money

make it
happen!

think about
your life and
how you want
to live it

think about
your future and
what you want
to achieve

What is Self Directed Support?

Self Directed Support is a new way that social care is delivered. It gives people more choice and control over the way they choose to live their lives
